

BLOOR YORKVILLE
RESIDENCES

Unconventional. Unexpected. Unique. 55 Charles reflects its celebrated surroundings. Standing tall in the heart of Bloor Yorkville, the city's most fashionable neighbourhood, its soaring presence makes a grand statement. A symbiotic collage of design and luxury. Calm and convenience. Style and sophistication.

55 Charles addresses every little detail of life in a big city. Its thoughtfully designed suites, fabulous amenities, divine features and sublime finishes, blend seamlessly to provide a holistic and harmonious living experience. A place that lets you live life your way. **Make it yours.**

Make it yours.

THE CITY'S MOST ELEGANT ARCHITECTURE

Modern. Distinct. Alluring. Poetry of undulating planes juxtaposed on a dramatic pinstriped vertical façade. 55 Charles' striking geometric silhouette makes the quintessential design statement. Defined by a 'building block' pattern of balconies, clad in stone, glass and stainless steel, it is 48-storeys of pure architectural perfection. Its bold presence and sophisticated visual vernacular place it in a league of its own. Eclectic and exceptional. A singular aesthetic. A striking addition to the Bloor Yorkville neighbourhood.

55 CHARLES STREET EAST

The lobby is a sanctuary of calm and quietude. Understated yet awe inspiring. An escape from the busy city that hums outside its doors. Dressed in rich woods and dusty golds, it is a showpiece. A work of art. With 24-hour concierge service to welcome and help, you'll always be greeted by enchantment.

THE CITY'S MOST REFINED AMENITIES

From the richness of its urbane interiors to the electrifying city views, perhaps even the serenity of being perched high above the city, every aspect of 55 Charles' over 20,000 sf. of indoor and outdoor amenities exude a draw to experience something special. With two singularly spectacular floors dedicated to pleasure, residents will feel pampered, soothed and inspired in these rarefied surroundings.

The eighth floor hosts numerous magnificent entertainment spaces. Home to a series of plush lounges where residents can host parties, relax with a book or simply hang out with friends, these luxurious rooms have been designed for refined living. But the pièce de résistance is the state-of-the-art gym.

A curated wellness facility that will provide a more immersive experience and inspire residents to become the best version of themselves. An environment that's founded on movement, it will house the latest technology and equipment. Focused on optimising human performance, it will feature a variety of zones, from virtual cycling studios to boxing, cardio to strength, to movement studio. Along with a separate training room and steam rooms, this floor practically offers everything you want and then some.

Spread out like a golden dreamscape on the rooftop, overlooking the grand city is the spectacular C Lounge. This magnificent indoor-outdoor entertaining lounge is one of the highest amenity spaces in Toronto. With its double height ceilings, gorgeous furnishings, and breathtaking views, it's an exquisite example of urban sophistication. Spilling onto an equally captivating terrace, the C Lounge's well-appointed outdoor entertaining area comes outfitted with cozy conversation pods around crackling fire pits. This stylish universe of calm is the perfect spot for romantic dinners and moments of quiet contemplation.

Defined by its chic interiors and sublime design, the amenities at 55 Charles present infinite possibilities. Whether you choose to host a cocktail party or stargaze on a chaise under the sky, living here will be an experience in luxury.

THE CITY'S MOST STYLISH INTERIORS

Instinctively calming. Immensely stylish. The interiors of 55 Charles are anything but ordinary. Natural woods. Subtle swatches of gold. Sand and stone lend all the public spaces an infinitely cosmopolitan aura. A chic interpretation of less being more. The suites are no different. Infused with luxury, your home is nothing less than a haven of modern design. With high-end finishes, contemporary fixtures, and highly functional designs, you'll always live in style at 55 Charles.

Flooring and specific features will depend on the Vendor's package as selected.

All dimensions, if any, are approximate. All specifications and materials are subject to change without notice. E.&O.E.

Actual View from 55 Charles

THE CITY'S MOST CHIC NEIGHBOURHOOD

It all happens here. 55 Charles sits among all things beautiful and stylish. Its unbeatable Bloor Yorkville location allows residents to enjoy the city like never before. On any given day, you can shop at the many internationally-renowned designer stores. Shoes from Prada, a scarf from Hermès, a tennis bracelet from Tiffany & Co., the choices here are endless.

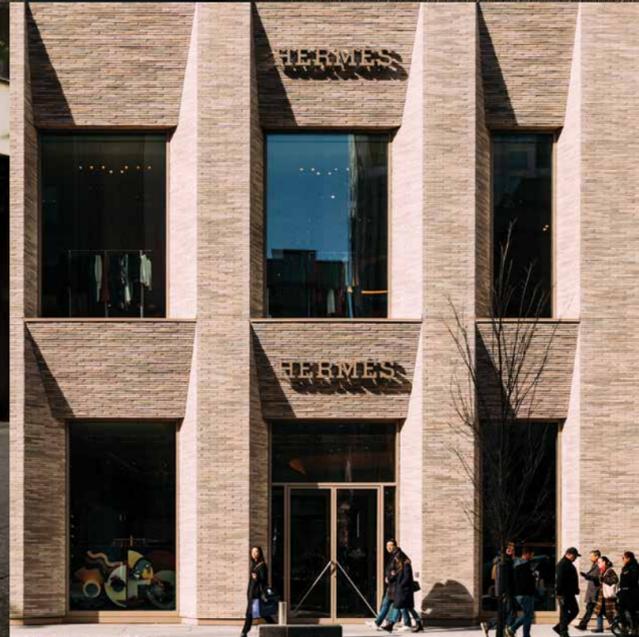

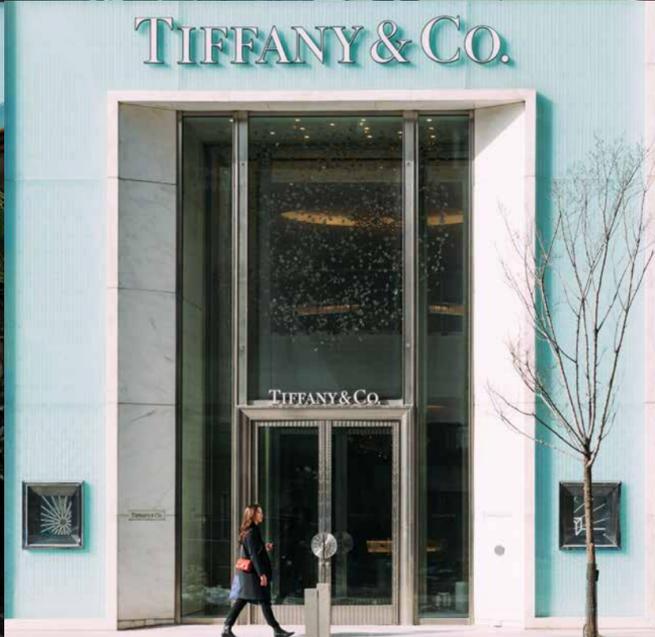

Once you're done with shopping, dine at the elegant restaurants of Yorkville. Browse an exhibit at the ROM. Or simply spend time with friends at the many cozy bars and cafes that populate the neighbourhood.

55 Charles is also steps from big dreams. Coveted centres of learning like the University of Toronto and Ryerson University are a short walk away. And conveniences like the subway, which is just minutes from its front door, ensure everything that matters is close to home.

MOD Developments Inc. is a full-service real estate company specializing in unique urban developments with a focus on architectural excellence, heritage preservation, and city-building. It is up headed by Gary Switzer, CEO and Noorez Lalani, President.

Since its founding in 2009, the partnership has developed a series of successful, award-winning developments, beginning with its first project, the 48-storey Five Condos at St. Joseph, which won the coveted 2011 BILD Project of the Year and Best High-Rise Building Design Awards, as well as earned praise for its restoration of almost half a block of heritage buildings on Yonge Street. This was followed by The Massey Tower, a 60-storey development near Yonge and Queen, integrating the 1905 former Canadian Bank of Commerce building into an innovative block development which included the revitalization of the landmark Massey Hall. The Massey Tower was recognized in 2013 by winning both the BILD and OHBA Project of the Year and Best High-Rise Building Design Awards. Waterworks, the firm's most recent achievement, is the rejuvenation of the City of Toronto's historic Waterworks Building which integrates upscale condominiums, the city's newest YMCA, and a major Food Hall housed in the building's original mechanical hall.

architectsAlliance

The internationally-renowned architectural firm of architectsAlliance believes that the full spectrum of the built environment should benefit from thoughtful design. Since 1999, aA founder Peter Clewes and his team have created innovative, contextual and iconic residential and mixed-use architecture that has transformed downtown Toronto and contributed directly to the health and well-being of the people who live, work, study and play in architectsAlliance-designed buildings and public spaces. In every project, the company searches for a convincing and urbane response to context and a compelling and appropriate reaction to density that enriches both the public realm and the individual's experience of urban life.

Cecconi Simone Inc.

Established in 1982, award-winning Interior Design practice, Cecconi Simone has designed some of the most beautiful and successful interior environments for the retail, corporate, hotel-hospitality and residential sectors in Canada, the United States, Anguilla, Italy, the United Arab Emirates, Qatar, India and China, including about 80 residential communities in the Greater Toronto Area alone. Cecconi Simone has positioned itself as an industry leader, designing intelligent, progressive and brand-specific interiors for a diverse cross-section of projects around the world.

Janet Rosenberg & Studio Inc.

Janet Rosenberg & Studio Inc. is one of Canada's most distinguished landscape architecture and urban design studios. The Studio is recognized for its extensive and award-winning portfolio of work that includes public, commercial, and institutional spaces as well as private residential gardens, green roofs, and condominium towers.

MarketVision Real Estate Corporation

Since 1993, MarketVision has been one of Toronto's premier real estate sales and marketing firms, with over 26,000 condominium residences sold throughout Canada and the United States. Some of their standout projects include One St. Thomas, The Merchandise Building, Thornwood, The Massey Tower, 383 Sorauren, Smart House, Valhalla, and Waterworks. The company brings their vast experience to the design consultation of amenity spaces, suite layouts and pricing. MarketVision is affiliated with Urbanation, the industry leader for market intelligence in the condominium industry.

L.A. Inc.

L.A. Inc. is one of North America's foremost companies specializing in branding, marketing, and communications for major real estate developments throughout North America and Europe. The Toronto based firm has created memorable brands and award-winning marketing programs for developments in New York, Las Vegas, Atlanta, Philadelphia, Chicago, St. Louis, Nashville, Minneapolis, Louisville, Cincinnati, Toronto, Montreal, Calgary, Ottawa, and Vancouver.
