OLD VALHALLA INN IN 1963

# VALHALLA INN 1963

When the Valhalla Inn first opened in 1963, it was a striking landmark, with its distinctive conical roof and a bar modeled on a Viking war ship. The Inn's interior furnishing expressed the best in contemporary Scandanavian design, especially the Nordic Bar and the Mermaid Lounge. From the beginning, the Valhalla Inn was clearly animated by the very best and most au courant design styles of its period. That focus on superb contemporary design will be reprised in the architecture, interior design and landscape of Valhalla Town Square. Timeless heritage, repurposed with a modern interpretation.

An architectural rendering of a modern urban development. In the background, a tall, curved glass skyscraper rises above a row of multi-story residential or commercial buildings with dark brick and glass facades. The foreground is a lush, landscaped courtyard with green lawns, mature trees, and flowering trees with purple blossoms. A paved walkway winds through the space. In the lower left, a man and a woman are walking away from the viewer. In the center, a group of people are sitting on a bench. To the right, a man is pushing a stroller. The overall atmosphere is bright and vibrant, suggesting a high-quality, community-oriented environment.

# A MASTER- PLANNED COMMUNITY

A fabled past, a stylish future. Edilcan proudly introduces Valhalla Town Square. A brilliant, master-planned urban community, with three iconic towers clad in dark brick and glass, rising majestically above a beautifully landscaped, European-inspired courtyard garden. The symphonic interplay of the vertical, horizontal and curvilinear will make Valhalla Town Square a landmark on the Etobicoke skyline.

Envisioned by award-winning landscape architect Claude Cormier, the central plaza will be the heart and soul of the community. A vibrant garden court landscaped with lush greenery, winding walkways, a children's play area, dog park and a spectacular podium with a green roof. The streetscape will be enhanced with retail stores, planters and seating areas. A sculptural trellis covered in wisteria in the centre will be the Square's focal point, a place to mingle with neighbours, and foster a sense of community.

ETOBICOKE'S  
NEWEST  
DESTINATION

Valhalla Town Square will be a 6.6-acre diverse, mixed-use residential community — an animated, pedestrian friendly and richly landscaped environment, a truly beautiful setting for urban living. The iconic towers, the podium and the central square together create a vibrant new destination — animating the community day and night with their stores, restaurants and cafes. Valhalla Town Square will offer modern condominiums, luxurious townhomes, Edilcan's signature amenities and convenient retail right at your doorstep. Residents will have exclusive use of the Valhalla Town Square Express shuttle to nearby subway and shopping. Come home to a whole new experience of cosmopolitan living in the heart of Etobicoke.

BLESSING, HAS CURATED  
THIS GALLERY SPACE WITH  
THE WORK OF LOCAL ARTISTS  
AND SCULPTORS

## A STUNNING ENTRANCE LOBBY

Mel Quilatan, Principal of Tomas Pearce Interior Design, envisions Valhalla's lobby to be “very hotel,” a double-height volume that permits dramatic custom-designed lighting. This stunning lobby is cleverly and carefully designed so different areas can perform separate functions: bespoke sectionals can be configured for a private business meeting, or for residents awaiting company, or socializing with neighbours, or zoning out with your WiFi. “A modern, elongated, horizontal fireplace will provide warmth and a strong design anchor,” notes Quilatan. And just off the lobby, a grand spacious gallery hall directs residents to the main elevator lobby. Keen to support local talent, Quilatan, with Edilcan's blessing, has curated this gallery space with the work of local artists and sculptors. For the convenience of Valhalla residents a “Dog Spa,” for primping and cleaning pets before and after canine constitutionals, completes the lobby.
