We pride ourselves on the hard work and attention-to-detail that goes into every home we build. Regardless of where we build in the GTA we are passionate about carrying out our Living Refined Promise:

“From our family to yours, when you choose OPUS Homes to build your home, your faith in us is never taken for granted. You can expect to receive superb, personalised service and prompt responses both before and after your purchase, from someone who cares deeply about your satisfaction.”

OPUS is known for building homes which consist of our fine Architectural Features as well as our OPUS Signature Finishes™ that stand out across all of our communities. Each home we build reflects quality, practicality and the refinement you deserve, built with care for both the environment, through our Go Green™ program, and care for our communities, through our Families Helping Families program.
